

Welcome to your NOOK GlowLight Plus™

Quick Start Guide

1 Charge your NOOK®

You must charge your NOOK before using it for the first time.

Plug your NOOK into a USB port on your computer using the USB Cable included with your NOOK.

It takes approximately 4 hours to charge your NOOK from your computer.

Note: A power adapter is available as an optional accessory for charging your NOOK from a wall outlet.

Power adapter shown is a visual only and may differ from what is currently sold in stores or online.

Note: This product is intended to be powered by a UL Listed power supply rated at 5 Vdc, 0.85 A. Do not use a power adapter or micro-USB cable that has frayed or otherwise been damaged. When connecting your NOOK to a personal computer, the computer must be a UL listed, approved product.

2 Get to know your NOOK

Power Button

Press and hold the power button on the left side of your NOOK for about 3 seconds to turn it on or off.

Press the power button to wake the device up.

GlowLight®

Adjustable GlowLight evenly lights your display for reading in the dark or low-light conditions.
